

AARON PARSEGHIAN

Reporter/MMJ

PERSONAL SUMMARY

I consider myself the epitome of a 21st century journalist-- talented on camera, a strong writer and highly skilled at shooting and editing video for air/online.

I'm a passionate storyteller and always look to find a creative way to approach a story.

Adept at both general assignment and political reporting, my original work has been featured on national outlets and viewed millions of times on social media.
